26<sup>th</sup> November, 2020

To the families of children in Miss McMaster's Year 5 class,

As you will be aware, we have worked very hard in order to ensure that our school is a Covid-secure and safe place for our pupils and our staff.

**We have carefully followed all of the Public Health advice and guidance relating to each individual case in school,** and we have carried out an in-depth risk assessment in order to put in place measures to minimise the risk of the virus spreading. This risk assessment is regularly reviewed as guidance is updated.

We have been informed this morning that we have had a second pupil in Miss McMaster's class test positive. While we await guidance from Public Health England, we have taken the decision to send Miss McMaster's class home pending guidance from Public Health England. We will write to you as soon as we have received this guidance and been instructed of the procedures that school needs to follow in this particular case.

We thank you for your ongoing support and will continue to keep you informed and up-to-date.

With my very best wishes,  
Mrs C. Meldrum  
Acting Headteacher
