Dear parents/carers,

I am delighted to be able to inform you of the class teachers for next year. This early notification is to enable you as parents to support school in preparing your children for the new academic year. Pupils who need extra transition support have been identified by staff and a one-page profile will be sent home in the next couple of weeks. Staff need time to work with the children to create them together.

As you will see we are saying goodbye to some current staff. Mrs Lake, our hugely experienced Nursery teacher, is retiring and moving up to an amazing retreat in the North of Scotland – We wish her well and know that she will be so happy living her dream with views of a beautiful loch. Mrs Scott and Mr Scholfield are moving onto pastures new and we wish them every success in their new adventures, we have valued all of their hard work and efforts this year. Mr Robinson has made a considerable contribution to Year Two this year and we have really appreciated all of his hard work and efforts.

We welcome to our school family, Mr Allen, a Year 6 teacher of many years' experience who joins us from a five-form entry school with extremely high standards and expectations. I know that he brings with him a wealth of UKS2 knowledge that will benefit our children hugely. Miss Young is wonderful young teacher who I am delighted to say is starting her career in Catholic Education at our school. I know that you will make them both feel very welcome.

Kind regards,

A D Thorpe
