

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Thursday 1st February 2024.**

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every 45 seconds

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

On Thursday we are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Don’t worry if you have nothing to wear with a number on it, you can still take part by wearing your own clothes and get involved in our exciting maths activities in class.

Safe fundraising If you are able to help raise money for the NSPCC, we are asking for you to click on the just giving link below and donate what you can.

We’ve set up a Just Giving www.justgiving.com/campaign/numberday2024 Please donate and share with friends so we can support the NSPCC.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at **St John Vianney** will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

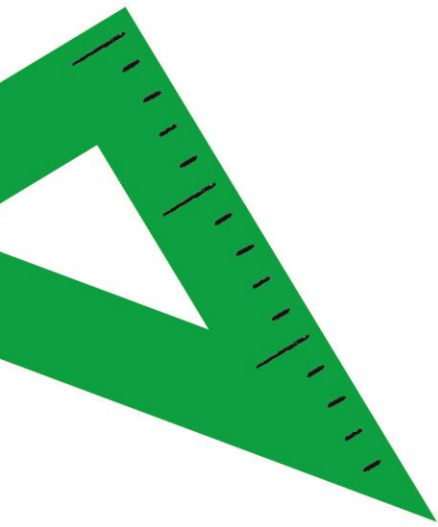

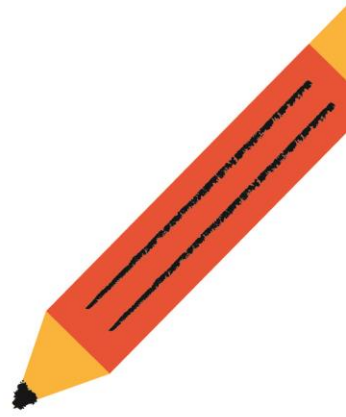

Best wishes,

All the staff at St John Vianney Catholic Primary School
