Dear parents/carers,

Please can I ask for the help of all Year 6 parent's?

Very sadly, one of our Year 6 pupils has a sibling who has recently been diagnosed with Leukaemia, their parents need to be informed if any of their children have been in contact with any contagious childhood illnesses. If your Year 6 child has got chicken pox, mumps or rubella for example, please can you let school know and we will inform the family.

I greatly appreciate all your help in this matter, I would also ask that you keep the family in your thoughts and prayers at this difficult time.

Kind regards,

*A D Thorpe*
