School Councillors

Every year, your children have the opportunity to become a School Councillor. Within School Council the children take part in monthly meetings with the whole school council where we discuss events in school, school projects and share any ideas or that have been brought to the attention of the Councillors from their classmates.

This year we are inviting children to prepare a small statement that they can share with their class to put themselves forward for School Council. This statement should explain why they will make the best person for the job and what they will bring to the role to support their classmates. As a School Councillor, you must be confident to talk in front of others and willing to give up a monthly lunchtime to attend Council Meetings or complete project tasks during school time.

If your child is interested in running as their classes' School Councillor please help them to prepare a short statement at home ready to present to their class, week commencing Monday 26th September. Each class will vote for their own Councillor and the new team will be announced on Wednesday 5th October.

Best wishes,

Mrs O'Neill
