

Dear Parents ,

Our Year 6 Faith in Action children have responded to Pope Francis' Laudato Si and his call for us to action concrete ways to care for our common home.

This year our Year 6 children would like to reduce the amount of card and paper in school through their very own Christmas Card Shop. Reducing the number of Christmas cards bought and brought into school will reduce the amount needing to be produced and therefore reduce deforestation. Every little helps!

This year, we ask that children and staff buy only **one** Christmas card to send to the whole class (rather than individual cards) from the Year 6 Christmas Card Shop.

Year 6 have a fabulous Christmas Card Shop that will be open daily, each morning playtime, in the Year 5/6 Intervention Room from Thursday 5th December until Tuesday 17th December.

Each card will be 50p.

All money raised will be used by the Year 6 children to buy hats, gloves, and socks for the homeless who will visit the People's Kitchen, Bath Lane, Newcastle this Christmas. In 2023 the children raised an amazing £130 and this Year 6 hope to beat that amount!

We thank you in advance for your generosity and support of the Faith In Action Christmas Card Shop.

Thank You,

Year 6
