

St John Vianney Catholic Primary School
Relationships and Health Education

Further to our consultation in May 2021 regarding the new statutory curriculum subject, Relationship and Health Education, we are pleased to let you know that our school has decided to adopt the programme, **Life to the Full**, produced by the Catholic educational organisation, Ten Ten Resources.

The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see our new programme, **Life to the Full**, as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

For more information on the programme and the content of each module please refer to the parent information leaflet available on our school website.

If you require any additional information or have questions about any aspect of RSE please do not hesitate to contact school and we would be happy to talk to you.
