

Children & Families and SEND Local Offer News

December 2022

What is the Newcastle Support Directory?

The [Newcastle Support Directory](#) works in partnership with **Children and Families Newcastle** and contains information on national and local organisations, services and activities for children and families in Newcastle.

You can expect to find things like; childcare, parent and toddler groups, youth groups and activities. As well as help and support on a range of topics, for example; pregnancy, mental health and wellbeing, sex and relationships.

It also contains the [SEND local offer](#) which has lots of information about services and support available in Newcastle for children and young people aged 0-25 with Special Educational Needs and/or Disabilities.

Use the quick links on the right to find out all the latest information!
