Religious Education Update

Dear Parents and Carers,

I have, this week, uploaded a Newsletter outlining the topics that the children will be studying in Religious Education this term. Please spare a few moments to read through it to find out more about the RE curriculum in your child's new year group and important feast days and events that we will be celebrating in school.

Our children continue to attend Wednesday morning Mass with Father Martin at St. John Vianney church with each year group attending Mass on a rota basis. This is a wonderful opportunity for children to celebrate Mass with our parish community in our parish church.

Next Friday, **Friday 7th October**, is CAFOD Family Fast Day. This is a national event that we celebrate every year so that families around the world have food for all their tomorrows.

This year, we have decided to share food donations brought into school with the **West End Food Bank** and **CAFOD** as we recognise that, in the current climate, there is a need to support families both in our local area and internationally. We would therefore be grateful for any donations of tins, cans, packets etc and these should be brought into school **next week**. We really are extremely grateful for any donations that can help our local and international community at this challenging time.

I will keep you updated throughout the term of our work in Religious Education and the wider Catholic Life of our school.

With my very best wishes,

Mrs Meldrum

Mrs C. Meldrum
Deputy Headteacher / RE Lead
