Together we can make a difference.

Tuesday 18th June 2024

Dear Parents / Carers,

As a school we are keen to promote an awareness of environmental issues both locally and globally and our children are always eager to learn about what they can do to help look after the future of our planet. Therefore, on Wednesday 26th June (for Nursery children) and Thursday 27th June (for the rest of the school), we will be taking part in an 'Eco-Day'.

Over the course of the day each year group will take part in different eco activities. For example, making bird feeders and researching marine life conservation.

On this day your child can come into school in non-uniform, wearing something green if they have it. We are asking for a voluntary 50p donation in which all money raised will go to adopting a snow leopard via WWF UK. This has been chosen by our Eco-Warriors. All donations are to be made via the school money app, as no cash is accepted in school.

Thank you for your continued support and I really hope the children enjoy Eco-Day!

Best wishes,

Miss E Dean
