

HELLO!

I am a VIRUS,
cousins with the Flu and
the Common Cold

My name is Coronavirus

I love to travel...

and to pass
from person
to person to
say hi

**HIGH
FIVE**

Have you heard about me?

YES ☐

NO ☐

And how do you feel when you hear my name?

Relaxed

Confused

Worried

Curious

Nervous

Sad

I can understand you
feel...

...I would feel the same
way.

Sometimes adults get
worried when they read
the news or see me on TV.

But I am going to explain
myself...

so you can understand.

When I come to visit, I
bring...

Difficulty breathing

Fever

Cough

But I don't stay with
people for long, and almost
everyone gets better.

**Just like when you get a
scrape on your
knee and it heals**

BYE BYE...

The adults who take care of you
will keep you safe.
You can help too...

1

**By washing your hands
with soap and water
while singing a song**

You can sing your favorite song,
the happy birthday song, or the
alphabet song

2

**By using hand sanitizer
and letting it dry on
your hands**

Without moving them count to 10

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

Once your hands are dry you can get
back to playing!!

If you do all that I might not
come to visit....

Meanwhile the doctors are working hard
to find a vaccine that will allow me to say
'hi' without getting you sick.

The government are trying to find ways of stopping me visiting lots of people.

They are saying if I am visiting you will need to stay away from other people and you might need to stay at home with your family for up to 14 days.

Mon	Tue	Wed	Thu	Fri	Sat	Sun
28	29	30	31	1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	1
2	3	4	5	6	7	8

They are also saying that you should try and not meet up with other people in big groups - this might mean you have to miss out on doing some things but you will be able to do them again once I've gone.

BYE BYE...

It might mean that you don't go to school but your teachers will be giving you work to do while you are at home - you only need to do the work during the times you should have been at school. It might help to follow a timetable like you do in school.
